

Starting September 20th, LifeKids will be open during the 9:00 service. Families will need to **pre-register** online by 3pm the day prior, and registration will close when rooms reach capacity.

Face coverings must be worn by all adults and children in K-5th Grade.

Everyone will be required to sanitize their hands before entering the building, and children will sanitize before entering & exiting classrooms.

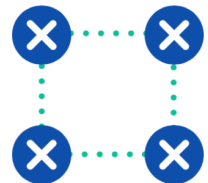

Non-contact temperature checks and health screenings will be conducted upon entry

We request only one parent/guardian per family drop off and pick up, and the same person who dropped the child off should pick up the child.

There will be a designated path to provide a one entrance and one exit path for drop off and pick up.

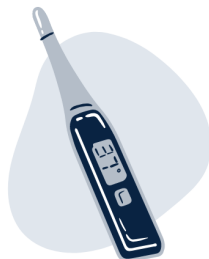

No items will be passed among children. Additionally, we will practice touchless greetings (no hugs or high-fives.)

We are so excited to be resuming our on-site LifeKids services. Things will look different to ensure safety, but we will still have fun with Disciple Makers who are excited to share about God and his love each week!

Please stay home if...

anyone in your family is exhibiting any symptoms or has in close contact with someone who symptoms or has been diagnosed by COVID-19.

The entire LifeKids area and supplies will be cleaned and sanitized prior to the next service.

Disciple Makers will be health screened, sanitize, and wear masks while serving.

IF YOUR FAMILY IS NOT YET READY TO RETURN WITH IN-PERSON SERVICES, YOUR CHILDREN CAN WATCH THE LESSON THROUGH OUR ONLINE EXPERIENCE AT WWW.LIFECHURCHNC.COM/LIVE
